Hi, Linda. Yes, FMC is confirmed for the 3 pm on Thursday. For FMC it will be primarily Barry Crawford who is their VP of Operations and someone who Dennis has met with before. Joining him will be Lizanne Davis, FMC Director for government affairs, John Stilman FMC In-house counsel, and Kristina ??? FMC remediation. From EPA, at a minimum Sheryl Bilbrey will be with Dennis but then I was going to ask him who else he may want there during our pre-brief earlier in the day.

Does that answer your question? We will be getting a briefing paper up to your office by the end of the day tomorrow.

Hi Beth,

We noticed during calendar check this morning that there weren't any outside participants invited to the 3:00 pm FMC call on Thursday. Can you please confirm this is a go and let me know who Dennis will be on the phone with?

Thanks very much,
Linda
